

Dairy Herd Manager

An exciting opportunity has arisen for the right candidate to manage one of the foremost organic Dairy Buffalo units in the country.

We are looking for a keen and enthusiastic Dairy Manager to oversee a small team looking after 400 water buffalo on twice a day milking. The position involves milking, TMR feeding, youngstock rearing and grassland management. We are able to provide accommodation if needed. Ideal for someone who is looking to take the next step in their career.

The Manager will need to demonstrate capability in all aspects of profitable dairy farm management as well as forage and grassland management.

THE ROLE;

- Reporting directly to the Farm Manager,
- Day to day management of the dairy herd, dairy followers and staff,
- Management of forage stocks and grassland management,
- Machinery and parlour work;
- Maintaining high levels of animal health and welfare.

THE CANDIDATE;

- Good communication skills,
- Proactive
- Team player,
- Technically competent,
- Tractor and machinery experience,
- Telehandler license,
- Livestock husbandry skills,
- Environmentally aware;
- Dairy management skills.

All applications will be treated in the strictest confidence and should be made in writing with a full CV and covering letter to recruitment@laverstokepark.co.uk
